

Fundraising Card Program

\$10.00 Fundraising card

50% return to your organization

Up to \$50.00 in savings!

Program Details

No cost up front! Return what you do not sell! Reconcile the money and leftover cards at your local Jamba Juice store the end of your fundraiser. Check out 50-250 at once (or more than 250 with office approval), Order more as needed once the original set is paid. We recommend a minimum goal of 10 cards per seller and a maximum of 20.

Sales run 3-4 weeks. We allow a few extras days at the end of your sale to wrap up and do collections (approximately 2-3 days) You are required to put a credit card on file for security.

We also require proof of being a 501c3 non-profit organization and permission from that organization to sign a contract and fundraise on their behalf

NEW!--***BOGO cards are now linked to the new Jamba app, which must be installed on your mobile device for redemption.** To redeem, you will simply load the code from the printed fundraising card into any Jamba app and then redeem your BOGO in-store by scanning the QR code at the register. *You can now also redeem your BOGO offers during the checkout process on online orders placed through the app!*

Questions and Answers

Q: What do I have to do to get started?

A: Visit our website at www.saltlakesmoothies.com and fill out the fundraising agreement form. Someone from our office will reach out and arrange to mail you the cards requested to arrive within 7-10 days from the contract date.

Q: *Is there a minimum or maximum # of cards required to be sold or checked out?**

A: YES, A minimum of 50 cards is required to be checked out and sold! Once you reach 50 cards sold, returns are accepted. As a general limit, we don't check out more than 250 cards to a group without pre-payment, however, some exceptions can be made for larger organizations. Please check with our corporate office. Jamba Juice recommends a minimum goal of 10 cards per seller, and a maximum of 20 cards.

Q: Why is a credit card required?

A: Jamba Juice is handing you a product that has "REAL" cash value. As a business we need to protect ourselves. Your credit card will not be charged in any way, shape, or form, unless you ask us to close out your fundraiser through this method, or you go unresponsive for more than 7 days at the end of your fundraiser.

Q: Can I extend my fundraiser more than four weeks?

A: Yes. ...HOWEVER, you must closeout your sale after 4 weeks. If you wish to extend your sale beyond you must arrange that with us at marketing@blendedstar.com.

Q: Where are the fundraising cards redeemable?

A: At all standard Jamba Juice stores nationwide (may not be valid at Airports, Safeway, etc.)

Q: What happens if a seller loses cards or if they are stolen?

A: As stated above, this product has real cash value. Consequently, replacement of full cash value of any lost or stolen cards will be the responsibility of the Seller.

Q: How is payment reconciled?

A: At the end of the sale, contact our office. If you have no cards left, you can close out the sale with the office directly. You will pay Jamba \$5.00 for every card sold. If you have cards to return, you will head to your local store at a prearranged time to return the cards and pay \$5 per card sold. A minimum of 50 cards must be paid for.

Q: When do the cards expire? And how many can be used at once?

A: *There is a six-month expiration that begins once you use your first redemption on the app. There is a limit of one use per day and a new BOGO loads the following day, until all have been used or the six months have passed.

Q: What if people want to buy cards but do not have the Jamba App?

A: *Jamba recently changed registers and POS systems and unfortunately the old swipe cards do not work with the new system. The only way to continue this program currently is to have the BOGO offers load in the app. We hope in the future to be able to scan cards directly again but in the meantime they must be loaded to the app. The good news on this is, there is no card to carry and you will always have your BOGOs with you!
